Athlete Code of Conduct

STUDENT TEAM MEMBER NAME: _____

When representing the Moorestown Sailing Team, it should be understood by all members that a high level of maturity and responsibility will be maintained. While away at events, regattas or conferences; at home in Moorestown, at the Yacht Club, at regatta's or in the grandstands, members are expected to be courteous to self and fellow members of all Teams. Members will respect all property, and follow the rules of common sense and order. Moving outside of these guidelines could result in the immediate suspension or expulsion of the member.

As an athlete with the Moorestown Sailing Team it is to be understood that at all times, safety is the number one concern. Athletes should be aware of their surroundings at all times so that they are not endangering themselves, others or equipment belonging to any Sailing Team. Proper precautions are necessary at all times to minimize the likelihood of hazards becoming a threat. Once this is achieved athletes need to keep in mind that those around him/her are volunteers and are at the Regattas or Yacht Club help the sport. Athletes are very fortunate to have the equipment, coaches, volunteers and infrastructure that support the Moorestown Sailing Team.

Sportsmanship involves fair and honest play with a graceful acceptance of the outcome of a contest. Sportsmanship is one of the cornerstones of the Moorestown High School Interscholastic Athletic Program. Competition should involve a strong but friendly rivalry and not an atmosphere of confrontation. Coaches, athletes and fans must set the example of winning without boasting and losing without bitterness. The success of a program can often be measured by the respect earned from its opponents. It is imperative that our teams, coaches, players, and fans enhance and maintain the principles, integrity and dignity of the Moorestown Sailing Team.

Positive spectator participation is an important part of Moorestown Sailing Team. Spectators should always be mindful that the competing athletes are high school students. They are friendly rivals from opposing schools. They are not enemies, but allies. They and their coaches spend many long hours preparing for each competition. Their training, experience and integrity qualify them to be a part of our athletic competitions. Our spectator enthusiasm at an event should reflect that.

I have received and agree to the above:
